COPY FOR JUDGE DeMEZA

CITY OF PLAINFIELD
NEW JERSEY

OFFICE OF
J. HENRY CRANE
COUNSEL TO THE CORPORATION

December 8th, 1930.

Miss Dorothy Putnam,
Attendance Supervisor,
High School,
Plainfield, N. J.

Re: GEORGE TESTA

My dear Miss Putnam:

Referring to our conversation of today regarding the matter of George Testa, 514 West Second Street, and the copy of the letter of Dr. Weigel to Judge DeMeza, which was left with me, I would say that in my opinion this is a matter for the Juvenile Court and is covered by Chatper 157 of the Laws of 1929.

This Act, in Section 2, gives the Juvenile Court full jurisdiction under the act entitled, "An Act Concerning the Welfare of Children", Chapter 246 of the laws of 1915. Section 1, paragraph C, of the Act Concerning the Welfare of Children specifically gives the court power to act in cases of neglect to give a child proper and sufficient medical attendance or surgical treatment. From Dr. Weigel's letter it appears that this child should have hospital treatment.

In view of the above, I take it that this is not a case for our Police Court and that a proper complaint should be made to the Juvenile Court in Elizabeth, and from Dr. Weigel's letter it seems to me that this case should receive prompt attention.

Yours very truly,

C/GG
